

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

Ret. from Stevens Brown

Dir. 11142 e. 36

AN  
**Alphabetical Arrangement**  
OF ALL THE  
WESLEYAN-METHODIST  
**PREACHERS AND MISSIONARIES,**

WHO ARE NOW TRAVELLING, OR ARE LOCATED,  
*In Great Britain, and in Distant Parts of the Globe,*  
WITH A VIEW OF ALL  
THE CIRCUITS AND STATIONS

To which they have been appointed by the Conference, from the Commencement of their Itinerancy to the present Period.

TO WHICH IS ADDED,

**A List of the Presidents,**

AND OF

THE PREACHERS WHO HAVE DIED IN THE WORK.

---

BY WILLIAM HILL.

---

They that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.—DANIEL.  
Quo nihil majus, meliusve terris.—HORACE.

---

THIRD EDITION,

*Corrected and Enlarged to the Conference of 1826.*

---

LONDON:

PUBLISHED BY J. KERSHAW, 14, CITY-ROAD, AND SOLD AT  
66, PATERNOSTER-ROW.

1827.

**[Entered at Stationers' Hall.]**

**T. Roche, Printer, 23, Gloucester Street, St. John Street Road.**

*In the Second Edition of this Publication, the Author presumes to observe, that the Work was commenced with a sincere design to gratify his Brethren, the Preachers; and it now gives him pleasure to say, that to serve them more extensively he has transferred the Copy-right to the* **WESLEYAN BOOK-COMMITTEE.**
